JANUARY 26, 6-7:30 P.M.

269 HENRY STREET (THE "FIREHOUSE")

Join Friends of +POOL, Henry Street, and the LES Employment Network for an information session that "dives" into the field of aquatics to explore career paths that can open up to people who learn to swim. The information session will also serve as a focus group where neighbors can provide feedback on the types of skills and training they would need to enter this growing field.
