

HENRY STREET SETTLEMENT OLDER ADULTS CENTER

Message from the Director:

To my OAC family,

As we welcome the month of May, help me acknowledge the National celebration of the Older Americans Month. It's a perfect reminder that staying connected whether through friendship, family, volunteering or community involvement—can empower us to thrive at any age.

Respecting one another usually involves mutual recognition of life experiences, empathy, shared values, and an understanding of each other's journey. Let us all practice these values and support the concerns we all have.

Throughout May, we'll be offering focus groups in 3 different languages thanks to NYP. I strongly encourage you to pick a day that is suitable for you and take full advantage of this learning experience.

I also encourage you all to take time this month to reach out to someone new, share your story, or try something you always wanted to do. Let's continue to build a community where every Older Adult feels valued, supported, and inspired.

Have a wonderful Mother's Day!

Jasmine
