*The fresh art photography workshop at the East Third Street Henry Street Residence ran for 30 weeks and was lead by Gwendolyn Black. It is supported in part by public funds from the New York City Department of Cultural Affairs in partnership with The City Council and by a Legislative Grant from NY State Assembly Member Brian Kavanagh through The New York State Department of Parks, Recreation and Historic Preservation. Founded in 1999, fresh art is a 501(c)3 organization that provides art workshops and exhibitions for under-served and disadvantaged New York City adults. The organization has provided workshops at Henry Street Settlement for several years.*
