

The Perfect Birthday Gift for a 125-year-old is **SUPPORT!**

During Henry Street's Quasiquintennial year, you and/or your institution can be part of our exciting venture, building on the Settlement's legacy of distinguished service.

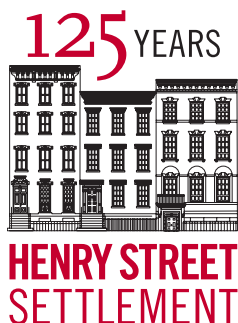

In 2018, Henry Street's past will come alive through *The House on Henry Street*, a permanent innovative humanities project supported in part by a competitive grant from the **National Endowment for the Humanities**. It will explore **social activism, urban poverty and public health** through the lens of Henry Street's history.

In order to make history —
WE NEED YOUR HELP.

The project is a powerful reminder that Henry Street has been a force for progressive reform and a leading voice for vulnerable New Yorkers for 125 years. Our commitment to our work remains steadfast. **Your support will help us continue to change the lives of more than 60,000 people each year through our social service, arts, and healthcare programs.**

Donors to our 125th Anniversary have a range of naming opportunities as well as special benefits, including tickets to our 125th Anniversary Gala — a dinner under the stars on Henry Street in September.

Join this once-in-a-lifetime chance to make a mark on history and be part of our future!
