

IMPORTANT NYCHA UPDATE:

We have received updated information from our funder stating that all NYCHA residents will no longer be eligible to apply to NYCHA Career First.

ONLY residents of **Baruch Houses** will be eligible to bypass the lottery and enroll through our NYCHA Career First contract.

All other residents may apply to Community Based contracts at application.nycsyep.com on **3/22/21** and will be entered into the general SYEP lottery.

The application will close on 4/23/21.

We apologize for any confusion and remain available to answer your questions at 347.380.3365 or 646.983.8992.

SEE OTHER PROGRAM DETAILS BELOW.

HENRY STREET SETTLEMENT - SYEP 2021

We are excited to announce that SYEP will return for Summer 2021!

Please see below for more details regarding **Henry Street's** different SYEP contracts and their eligibility requirements.

Henry Street's **Career First NYCHA** contract and **Emerging Leaders** contract are both Special Initiatives. This means that applications for these contracts are first come first serve and **do NOT require a lottery**. Additionally, these special initiative contracts are available to youth ages 14-24 years old.

Community Based contracts refer to the general lottery applications that are available to all NYC community members ages 16-21. While Henry Street Settlement does not have a Community Based contract for 14 & 15 year olds, there are over providers available that do.
