Meals and Feels-This group will focus on highlighting women's relationship with food regarding their own bodies and providing nutritious meals for their families.

Catcalling Group -how cities are built to better present the safety of marginal communities and working with art to have a voice? Do residents feel like they have a say and a right to the cities they live in. Uplift their voices by presenting their stories to all city-dwellers making the invisible stories -- visible. Right now, there is a focus on photography to translate their

If you plan to decorate your unit with a Christmas tree or lights, you must adhere to the following rules:

1. You may only use an artificial tree no taller than 4ft. (No real trees are permitted.)
2. You must assemble your own tree; its safe assembly will be inspected by your case manager and a member of the maintenance team.
3. Trees and decorations may not block any entrance or exit of a unit, including fire escape windows.
4. You must use a power surge protector for lights. (Extension cords are not allowed)
5. Only LED lights are permitted.
6. Trees and decorations must be removed by 1/3/23. If not removed by 1/3/23, the maintenance team will remove and dispose of them. Please store your tree and decorations appropriately before 1/3/23.
