HENRY STREET PROGRAM SPOTLIGHT

CONNECT

Community Consultation Center at
40 Montgomery Street

CONNECT is the newest mental health program at Henry Street Settlement, providing support where you are, whether that is in our offices, your home, or even walking down the street!

Our team is trained to support adults ages 18+ in transitional and supportive housing, in recovery from substance abuse, or with past legal system involvement. Beyond therapy, **CONNECT** offers free support groups including peer recovery, life skills, healthy relationships, and art making. **CONNECT** Community Liaison Lainey Perez says, "These groups were created based on community feedback. Your voice truly matters here." **CONNECT** also has a food pantry, open by appointment.

If you are interested in participating in **CONNECT** programs, please speak with your case manager or contact Lainey at 646.768.8967 or connect@henrystreet.org.

Come relax in our community room at the Community Consultation Center!
