Jobs Plus Can Help You:

Find a Job! | Increase your credit! | Find FREE Industry Training! | Apply for Benefits! | Enroll into Education! | Free Tax Prep! | Health & Wellness services! | Case management referrals and much more!

Justice Through Code

Tech career training for legal system-impacted individuals!

Now Accepting Applications for:

The Foundation Program: a two-month intensive that teaches the technical and professional skills necessary to succeed in the 21st century workforce.

Tech Pathways: a four-month intensive that dives deep into the life of junior software engineers and data analysts by teaching participants the foundation computer science and programming concepts in Python that are used in both career pathways.

The Flagship Program: An eight-month intensive that teaches the skills needed to prepare for apprenticeships and entry-level positions as software engineers.
